AI Actionable Suggestions

- ✔ Add your GitHub profile link to showcase code repositories and open-source contributions.
- ✔ Include a personal portfolio URL or live project demo links.
- ✔ Mention measurable achievements (e.g., 'Improved query response time by 40%', 'Handled 500+ records').
- ✔ Include industry certifications (e.g. AWS Certified, Coursera/Udemy Certificates, Power BI PL-300).
- ✔ Add a Power BI / Tableau dashboard project to demonstrate data visualization skills.
- ✔ Highlight complex SQL query expertise (JOINs, Window functions, CTEs).
